Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2019-LAW-132, 03/13/19, 1148 hours:** The University of Santa Cruz Police Department, with the concurrence of Santa Cruz County Sheriff as the Operational Area Coordinator, requested 15 Friendly Force trackers and support personnel to assist in monitoring a campus protest planned for 3/20/19. Request submitted to California National Guard for tasking. **MISSION ONGOING**
- **2019-LAW-80 (Renumbered 2019-LAW-58514), 03/05/19, 1604 hours:** Mono County Sheriff's Office requested assistance with a Search and Rescue (SAR). A 24 year old active duty Marine left on 02/25/19, alone, from Onion Valley in Inyo County to cross country ski the High Sierra Route which is 195 miles long and runs through several counties. His friend was to pick him up 03/04/19 or 03/05/19 near Bridgeport. He did not show up and has had no contact with anyone. The Air Force Rescue Coordination Center (AFRCC) was not able to run cellular phone forensics as his phone has been turned off since 02/25/19. Aerial searches will begin once the winter storm breaks.
UPDATE: 03/09/19: National Guard continuing to evaluate the weather to determine when an aerial search would be feasible. Request for a helicopter with NVG capabilities for a night time search still pending. National Guard also has a search airplane on standby by waiting for appropriate weather. National Guard has deployed a liaison officer to the incident for on scene coordination. **UPDATE: 03/11/19:** As a result of better weather, the National Guard was able to deploy a helicopter and an airplane for searches on 03/10/19. The Marine Corp agreed to deploy 2 helicopters from Camp Pendleton for night time searches. The National Guard will also deploy a helicopter on 03/11/19 to insert a search and rescue team on skis into remote areas for additional searches. **UPDATE: 03/12/19:** Weather has hampered search efforts. National Guard and Marine Corp helicopters flying missions as weather permits. **UPDATE: 03/13/19:** Searching continues. Sequoia Kings Canyon National Park requested Type 1 Alpine SAR personnel for overnight missions in remote areas of the Park. Fresno, Tulare and San Mateo County provided personnel for a 72 hour mission. **UPDATE: 03/14/19:** Continuing ground and aerial searches have not been successful. In addition to other aerial assets, a US Navy helicopter from China Lake Naval Weapons Center assisted in inserting search teams into remote areas. **UPDATE: 1503 hours, Received email from Fresno County advising no significant changes. They released mutual aid assets and two Hueys were demobed. Update: 1623 hours, Inyo County advised they searched a majority of their area. Had meeting with Fresno, Mono and Marine Corps. to discuss future plans. They have access to a ship out of China Lake, but will only utilize if needed. They have no needs or requests at this time. Update: 1701 hours, Received call from Sequoia National Park. They advised they were considering transitioning their search to limited/continuous on Saturday. Prior to transitioning their search, they requested Cal OES review their operation to-date and provide guidance and feedback. Two Cal OES ACs will coordinate that request. MISSION ONGOING**

Closed Cal OES Law Missions

- **2019-LAW-90 (Renumbered 2019-LAW-58652), 03/11/19, 0815 hours:** Mendocino Sheriff requested a cadaver dog for a law enforcement sensitive search in the Covelo area. Mission scheduled for 03/12/19 at 1100 hours. **UPDATE: 03/13/19:** Searches on 03/12/19 revealed an area of interest, but not an actual find. A different dog will deploy on 03/13/19 in an effort to confirm the findings. **UPDATE: 03/14/19, 1015 hours, Mendocino advised they drained the pond and initiated the dog. The dog alerted, and was then released. Based on the alert, they brought in two additional dogs to confirm the alert. Those two dogs did not alert. All dogs were released. MISSION CLOSED**
